The Smithson Valley High School Ranger Band will be holding a *Fajita Dinner and Silent Auction* fundraising event on Friday, *October 6, 2017* at Smithson Valley High School. All money raised at this event goes to fund the band program. Donations are used to pay for the marching show, music, and instrument repair, additional adjunct instruction, feeding the band, as well as several scholarship programs and the purchase of senior jackets for the graduating seniors. There are about 300 students in the band program making it one of the largest student organization at SVHS and continues to grow every year with our community.

We're in the process of collecting merchandise for the event. Your help and generosity is important in making this Ranger Band event a success. By donating an item, you'll be making a contribution that will impact the lives of our young students.

Additionally, you'll benefit from exposure of your company's name to those who attend the auction. Merchandise you donate will be on display throughout the event. This is a great opportunity to market your product or service. If you accept our request for a donation, our **Tax ID number is 74-2887361**.

Please consider donating an item to support the continued work of the Ranger Band. You may call Pam Millard (210) 332-3442 or Carrie Fisher (469)766-6702 to find out how you can participate in the silent auction. You may also contact us by email at (Pam) lmfam@gvtc.com or (Carrie) carriefisher@me.com. All donations will need to be collected by Friday, September 8, but sooner would be appreciated. Thank you for being a part of the auction and making a difference in our community for the Smithson Valley Ranger Band.

Sincerely,

Pam Millard & Carrie Fisher, Silent Auction Coordinators
